also on 11-01-1984, I met with the members of the City's Shade Tree Commission in Memorial Park, and we planted (i.e. Tony Minkloich & three or four of his female Vo-Tech horticulture students) planted three trees -- one by City Hall & two in the Park. JVB was present. I ran into him on my way into town: he was driving out here to give me the mail from Post office Box 161. a photo was taken of the tree planting session & it will doubtless appear in next week's Carbondale News. JVB went with me down to Saul's to order a new gas tank for my car & then he "disappeared". I went to the Golf Course & then to the B.S.C.

No substitute teaching call
 ce matin. I was more or
 less planning on "a call"
 and was disappointed when
 none came.

Spent a very very productive morning & early afternoon
 at my desk -- revision & addition to Volume I
 of Preparatory Notes...

Received my check from Forest City for my 2-day stand there at the
 Librarian -- Check # 4581 - 11/1/84 - \$70.00 (minus deduction
 equals \$62.54). Substituted at Forest City, get paid once a month,
 I believe. The same at Lakeland: no substitute call
 on Friday, 11/2/84 -- pay day at both F.C. & Lakeland &
 so all the faculty was present to collect my pay checks.

Went to Penney's at Viewmont Mall and
 ordered a new pair of Khaki pants; they
 should be "in" by Monday or Tuesday.
 Stopped at Cousin Peg's on the way
 up the Highway & visited there for about
 2 hours: her house smells like a dog
 house. We watched Wall Street Week
 together. That program is one of her
 favorites and one of mine as well.
 En passant, Peg m'a donné some
 moonflower seeds; the plants bloom at
 night & have ^{the blonny} very heady / decadent fragrance.
 I shall plant some here at Eldale next Spring.
